

Introducing the Aqua Blaster

New and Innovative Product that Combines
a Fire Hose with a Harness

Benefits of the Aqua Blaster

- ▶ Works in conjunction with hoses and nozzles that are already being used
- ▶ Easy to assemble and simple to use
- ▶ Minimize number of persons needed to manage a fire hose
- ▶ One user can safely manage a charged fire hose
- ▶ Easy to maneuver while in use
- ▶ Reduces stress and takes pressure off the back and joints
- ▶ Easy to remove when no longer needed
- ▶ Has the potential to reduce workers compensation claims and disability claims due to injury
