

RBA-100

COMPACT SAR ASSIST Vest

Buoyancy Aid 50N; Inflatable EN ISO 12402-5 EN ISO12402-6

The RBA-100 SAR Assist PFD easily stows in sea, land and air vehicles. The environmentally sealed pack protects the PFD in the most extreme environmental conditions. Vacuum sealed to have long shelf.

The PFD is easily removed from its package and donned like an airline PFD. Orally inflate until the black hook & loop strap pops on the right lobe (this means it's fully inflated).

The PFD is reversible and can be folded and stowed in the belt pack after use.

- The RBA-100 weights 1.32 lbs in its vacuum pack
- 'Cube' design pack s easy to throw and catch
- The vacuum pack floats on water
- Hi-vis color bladder- All markings on the bladders are in reflective ink to ensure better visibility. 22lbs of buoyancy when inflated.

Slightly Larger Than An Iphone

Firstwatch®
